**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The American way is competition. Please do not reduce the competition in the broadband market. I like to have the choice of several different companies, and not only the big corporations. Broadband is critical to my business and home. I don't want the price hikes the big companies will introduce if they are the only ones in the game. Keep the internet competitive.
